

Dear Parents,

I hope you all had a good summer and are staying safe. Thank you for all your support and for keeping Dance Magic on its toes during this time. The 2020-2021 school year has changed due to Covid restrictions and protocols; I appreciate your flexibility during this time.

Fall 2020 classes (both virtually and private classes) start September 8 and registration is now open. I am offering virtual classes for the Fall, with some limited options for in-person private classes. **Due to changing developments with Covid, this schedule is subject to change any time throughout the term.**

Please note that for in-person private classes, there is a waitlist for some classes since I gave priority to the dancers who were already enrolled in the summer private classes. If a class is full, you can sign up for the waitlist, and you will be informed if a time becomes available.
